Dear Bending Spoons,

As a student, I am writing to express my interest in the internship at your company. My experience aligns well, as I have worked in the environment in .NET Core, and I know I would make a valuable addition.

During my university and my internships, I have advanced my knowledge in C#, .NET Core, and SQL Server. I worked on several projects in .NET Core for my university classes, which had received the highest marks from my professors. I also worked on .NET Core during my internship with LinkGroup. Where I was the team leader of the project.

I am very interested in this internship, if you have any questions or need further clarification on my experience you can reach out to me. I would love to have an opportunity to work with you in the future.

Thank you for your consideration.

Sincerely,

Stefan Majkic
